
From the Bishop:

United Methodist Church secretaries are called to ministry as surely as any pastor. It is clear that those who work in the various administrative and support staff positions in the Church are called to ministry and they are partners in Christ's ministry. It is also clear that the more effective and efficient these persons are in their various areas of responsibility, the greater the opportunities for advancing the kingdom of God through your local church.

To that end the Professional Association of United Methodist Church Secretaries (PAUMCS) is committed to providing a supportive base for the training and fellowship of its members. Our Virginia Chapter was established in 1999 and has experienced enormous growth since then. Additionally, VA PAUMCS serves as an advocate for emerging concerns that affect local church, district and conference administrative and support personnel. Through its efforts, opportunities continue to be provided for individual growth, professional development, continuing education and spiritual enrichment.

Support your administrative and support staff by acknowledging their participation in PAUMCS as ministry development. Administrative assistants, secretaries, financial directors, office managers and newsletter editors, full-time or part-time, paid or volunteer, local church or conference agency are all invited and encouraged to attend and participate.

National PAUMCS History:

The Professional Association of United Methodist Church Secretaries was organized on April 14, 1982 in Dallas, Texas.

Since that first meeting, conferences have been held annually, by-laws and a logo were adopted, working committees were formed, a quarterly newsletter was established and chapters were organized across the connection.

Legislation was adopted at the 1988 General Conference which states that the General Conference of Finance and Administration (GCFA) has the authority and responsibility to provide guidance and consultation for continuing education of church secretaries, including establishment of professional standards, training and certification programs and to provide assistance to the Professional Association of United Methodist Church Secretaries (2004 Book of Discipline, 807.19.)

The chapter sponsors two meetings each year: normally, a one day fall training event and a two day spring spiritual growth retreat.

The Virginia PAUMCS Logo:

Adopted for the 2012 National Conference hosted by the Virginia Chapter in Richmond, the chapter logo incorporates the National Logo's chain link oval along with the steeple of historic Trinity UMC (Richmond), a Virginia peanut, and a cardinal and dogwood, the Commonwealth of Virginia's official bird and flower.

About the National Logo:
