Agapé (God's unconditional, welcoming love)

**A ministry of the Eastern Shore District of
THE UNITED METHODIST CHURCH**

The Agape Christian Children's Community Center (ACCC) is a place where children can come to have fun and learn the basics in preparation for school - ABC's, counting, colors, etc. It's a place where their activity is encouraged with art; dress up play, stories and games. It's a place where their feelings are respected and where they can learn how

to get along with others in love. Each child is treated as someone special because he/she is! The Center is a happy place where children want to return every day because, most importantly, it's a place where they learn how much Jesus loves each and every one of them.

The Agape Center is open Monday through Friday from 7:00 a.m. until 6:00 p.m. Our preschool is for children ages three and four. The children are served breakfast, lunch and two snacks each day. The schedule for the After-School Program is Monday through Friday 3:30 p.m. until 6:00 p.m. The After-School Program is FREE with preferences given to parents who have a child attending our preschool.

In 2006 we stepped out in faith and extended our program to year round!

The well-equipped, fenced in playground provides a safe place for the children to play.

This center has potential to produce young men and women that can make vital contributions to this community as well as the nation.

As the Body of Christ, it is our responsibility to make a brighter future for our children and youth.

We are grateful to our director and teaching staff. They have been carefully selected to become a part of the Agape Center because of their unique gifts and talents, their love of children and their love of Jesus Christ.

The Agape Center is governed by a Board of Directors, comprised of volunteer laypersons, local clergy and the Superintendent of the Eastern Shore District of The United Methodist Church.

How you can help...

- **Send work teams** to do repairs on the playground and building.

- **Support Agape** through regular giving or through Christmas & Lenten offerings.
