ACCOUNTABLE REIMBURSEMENT POLICY

Church: ___________________________________________  Charge: ________________________________
District: __________________________________________  Annual Conference: _________________________
Pastor’s Name: ______________________________________

The ______________________________ (church’s name) United Methodist Church recognizes that certain expenses of ministry paid by the pastor/staff person are part of the ordinary and necessary costs of ministry in this church/charge. Accordingly, we hereby establish an accountable reimbursement policy to defray them directly. The reimbursement account should be an annual line item in the church budget. This is an amount set aside from the pastors’ compensation to provide a tax reduction for their business-related expenses. The reimbursement account for ______________ (calendar year) shall be $___________.

The following requirements for the policy are binding upon the church and upon its pastor/staff person.

Accordingly, the church hereby establishes an accountable reimbursement policy, pursuant to IRS regulations and upon the following terms and conditions:

1. The pastor/staff person shall be reimbursed from the reimbursement account for his/her ordinary, necessary and reasonable business expenses incurred in the conduct of the ministry for, and on behalf of, the church. The following expenses are budgeted in this accountable reimbursement policy, as suggested for the work needs of the pastor/staff person.

2. The committee on SPR (PPR) chairperson, church payroll person or treasurer (as designated by the church), must be given an adequate accounting of each expense, including, but not limited to, a statement of expense, account book diary or other similar record showing the amount date, place, business purpose and business relationship involved. Such documentation shall include receipts for all items of $75 or more (a church may set a lesser amount). Appropriate documents, cash receipts, canceled checks, credit card sales slips and contemporaneous records for those non receipt expenses less than $75 must be attached to each expense report. A log of total miles per day and enumeration of their general purpose shall suffice to substantiate automobile mileage, but under no circumstances will commuting mileage between the pastor’s home and church office be reimbursed. Copies of the documentary evidence and expense report shall be retained by both the pastor/staff person and the church. The committee on SPR chairperson (or treasurer) shall be responsible for approving the expense. The committee on SPR chairperson (or treasurer) shall exercise his/her discretion regarding the adequacy of the substantiation and the appropriateness of any reimbursement. Questions arising in these areas will be resolved by the SPR chairperson’s or treasurer’s decision, subject to the review and approval of the committee on SPR or the Committee on Finance.

3. It is the intention of this policy that reimbursements will be paid after the expense has been incurred by the pastor/staff person. However, should circumstances require payment of an advance for any particular expense, the pastor/staff person must account for the expense and return any excess reimbursement within 30 days of the issuance of the advance. Any excess advance must be returned to the church before any additional advances are provided to the pastor/staff person.
4. Budgeted amounts not spent must not be paid as a salary bonus or other personal compensation. If such payments are made, the entire amount of the accountable reimbursement policy will be taxable income to the pastor/staff person. The Church will be required by law to report that amount as part of the pastor’s staff person’s compensation. Disposition of any unspent balances remains at the discretion of the committee on finance/the council/charge conference in building the budget for the next church year.

5. It is understood by the various parties that all elements of this resolution must be carefully followed to prevent the church from being required by regulation to list total payments for the following items on MRS information reports (W 2/1099 MISC) as “includable compensation.” The primary responsibility of expense reporting is for the pastor/staff person to the committee on SPR chairperson, church payroll person and/or treasurer.

Adopted on ______________ by the Church Council [or Charge Conference] of __________________________ United Methodist Church for the 2014 calendar year.

A. Automobile (standard federal mileage rate), parking and tolls $__________
B. Office supplies and postage $__________
C. Office equipment, computer and software $__________
D. Books, subscriptions, periodicals such as professional journals $__________

H. Entertainment required for church business $__________
I. Travel fares, lodging and meals while on church business $__________
J. Other (list) $__________

*K. TOTAL $__________

*Total in this column must be the same as total reimbursement amount set forth in the first paragraph of the policy. Church council action is required for an increase to item "K" (Total). To allow for the pastor/staff person’s spending discretion, only item "K" is necessary to be reported as a line item in the charge conference approved budget and in the policy document. Circumstances dictate that the above expenses will vary from church to church and from time to time. Nonetheless, expenses assumed by the pastor/staff person in excess of the total are not excludable from reported compensation. Expenses in excess of compensation may or may not be deductible from taxable income on pastor/staff person’s tax return.
