BW Wilson Paper Company, a family owned independent paper wholesaler, is excited to have the opportunity to help the Caretakers of God's Creation further their commitment to the environment by offering the Enviro Copy 100 line from Cascades.

The Enviro Copy 100 is a 100% Post Consumer Recycled line of copy paper that is processed Chlorine Free with Bio Gas Energy. This paper meets the requirements of Caretakers of God's Creation as well as the United Methodist resolutions on Dioxin. In addition Cascades Paper is FSC Certified and BW Wilson is an FSC Certified Merchant.

BW Wilson can provide easy ordering via fax, phone or utilizing our web site as well as quick delivery to locations throughout Virginia.

We look forward to working with you to further your mission to providing an environmentally sound product to your organizations.
