Welcome to your new account

Welcome to your new account, clergysample10@vaumc.org. Your account is compatible with nearly all Google products, but your vaumc.org administrator may decide which products are enabled for your account. For tips about using your new account, visit our [Help Center](#).

Google has made its services available to organizations using Google Apps. In addition to the core suite of messaging and collaboration applications, you may access many Google services ("Additional Services") using your clergysample10@vaumc.org account. Your vaumc.org administrator determines which Additional Services you may access using your account. For tips about using your new account, visit the [Google Help Center](#).

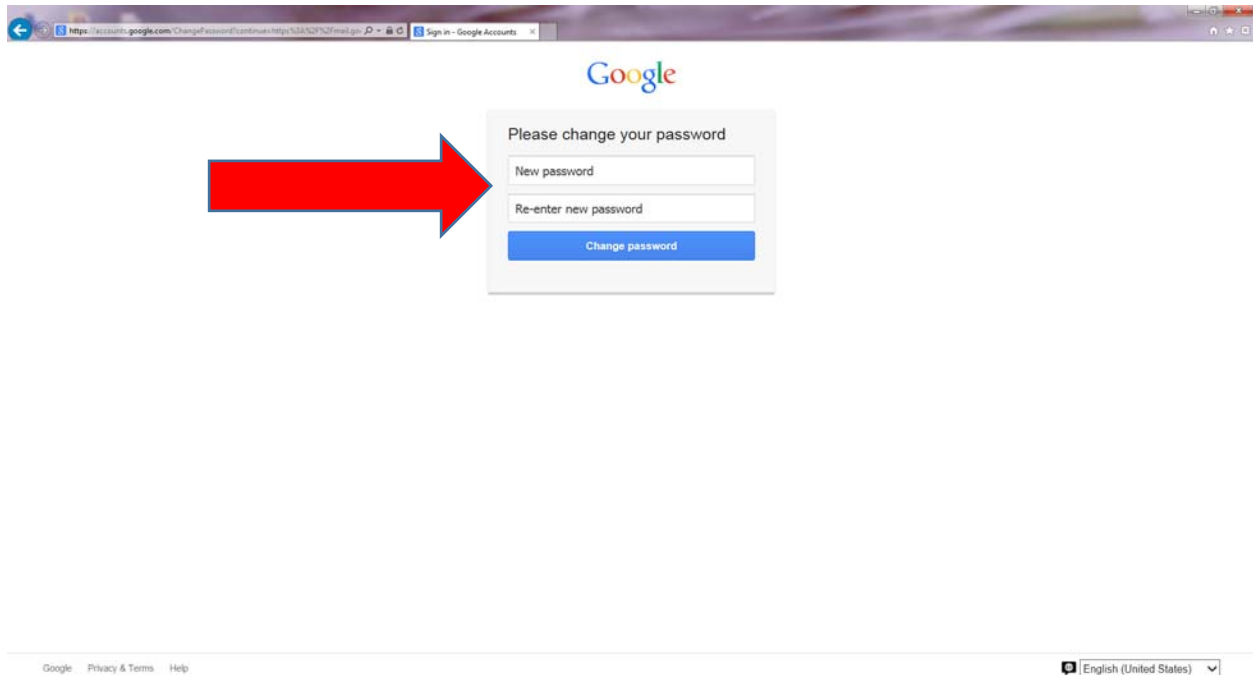

Please be aware that when you use Google services, your domain administrator will have access to your clergysample10@vaumc.org account information, including your email. You can learn more [here](#), or by consulting your domain administrator's privacy policy, if one exists. You can choose to maintain a separate account for your personal use of any Google services, including email. If you have multiple Google accounts, the username that appears at the upper right corner of most Google services will help you ensure that you're using the intended account.

The Additional Services are provided by Google to you under these [terms of service](#) and [privacy policy](#). Certain Additional Services may also have [service-specific terms](#). If your domain administrator enables any of the Additional Services, Google will treat your use of any of the Additional Services as acceptance of the applicable service-specific terms.

Click "Accept" below to indicate that you understand the changes to your account and agree to the [Google Terms of Service](#) and the [Google Privacy Policy](#) for your use of Additional Services.
