

WHAT IS THE CENTRAL VA MISSION HUB (CVM)?

Located in Culpeper, it is a smaller version and partner of Mission Central. There are 35 HUBS in the Northeast with the Central Virginia HUB being the first in Virginia.

Central Virginia HUB is currently focusing on the collection of:

- Health Kits
- Cleaning Buckets
- School Bags
- Personal Medical Equipment
- Used Computers and Components

Items are collected and stored in 2 tractor trailer beds, then transported to Mission Central.

One ministry partner is UMCOR (United Methodist Committee on Relief) which collects kits and supplies for various needs: Health, Sewing, Birthing, Cleaning, School, and more to use all around the world.

WHAT IS MISSION CENTRAL?

It is a mission warehouse of the Susquehanna Conference of the United Methodist Church, though it is a nondenominational effort and outreach. It is a connection between God's resources and human need.

3 POINTS OF FOCUS:

- † Disaster Response
- † Mission Outreach
- † Mission Education

Mission Central also provides supplies of all types needed for local, national, and international ministries. It also assists projects that are sending God's love around the world.

VOLUNTEER

Sign up a group to work on a special project or an individual to help with specific tasks.

DONATE

Anyone can donate supplies or funds to CVM or Mission Central.

PARTNER

Join in our mission, sign-up your church or organization to collect or put together kits/buckets.

CVMHUB2017@GMAIL.COM

HOW YOU CAN HELP:

- † Collect supplies and kit components
- † Assemble kits
- † Join in a mission/work trip to Mission Central
- † Financial support

Members of the HUB are willing to come to your church or other meeting place to share about Mission Central or to clarify and demonstrate the assembly of kits.

**Please contact us for further information.*

*** ALL ITEMS MUST BE REMOVED FROM PACKAGING WHEN ASSEMBLING KITS**

-It is important to remove or cover with marker or sticker any country names, such as "made in China/USA" etc.

-Items must be in compliance with kit content list, unfortunately due to shipping/inspection regulations substitutions are not acceptable.

*** For specific instructions to make a school bag or specifications regarding any kit components you can visit missioncentral.org or contact us at cvmhub2017@gmail.com**
