

# A Way Forward

*around the world*

**O**ur conference participates in God's mission in many places around the world. We have long-term partnerships in Brazil, Mozambique and Cambodia through our Initiatives of Hope ministry as well as a history working with United Methodist partners in Africa, Cuba, the Philippines, Central and South America, the Caribbean and Russia.

We also continue to explore new ways and places of being in mission through our United Methodist connection as global needs emerge and Christ's church develops and grows internationally.

The international Advance Specials listed below have been selected by the conference Missional Ministries Board for special attention this year. They represent mission and ministry settings across the globe and encompass various missional needs. Remember that by giving to them through the Advance you ensure that 100 percent of your gift goes to the mission or ministry that you designate. For more information about these projects, visit [www.vaumc.org/Mission](http://www.vaumc.org/Mission).

(Below) South Sudan currently has 1,790,427 internally displaced people. Since 2013, the conflict in South Sudan has driven away millions of people from their homes and claimed thousands of lives.
